

RVCSC Summer Soccer Series 2022!

It's back by popular demand! The Summer Soccer Series is a fun way to get kids on the field playing in a 'pick-up' style game environment. We had over 100 players last summer...don't miss out!

What are the benefits of Pick-Up Soccer?

1. The game is the teacher. Players are able to experiment and learn from mistakes and successes and not be afraid to try new things.
2. Low pressure, risk-free environment.
3. Communication. Since there is no formal coach yelling from the sideline, players will need to communicate with each other on the field. This will help with awareness and understanding of the game.
4. Short-sided games encourage personal growth with the ball. Individual skills and footwork are encouraged and will help build player's ball handling confidence.
5. Short-sided games teach fast transition from offense to defense. Smaller fields also highlight the need for width and depth.
6. Fun with friends!

Parent Volunteers!!!

We can not run the program without your help. The Summer Soccer Series is looking for volunteers to supervise at each session. Sessions without supervision will not be able to run. Please fill in your name on the Google Sheet if you can help out.
